

CPE NATIONALS CLOTHING – ORDER INFO!

★ WE'RE OFFERING a SILKSCREENED and an EMBROIDERED DESIGN again this year ★

In order to be able to offer garments such as polos and outerwear, we're offering an add'l left chest Nationals design that will be embroidered! The order period for all Nationals clothing will run through May 1. Please visit the "2018 CPE Nationals" link at beautyofthebeasts.com for style descriptions, photos, color swatches, & approximate measurements to assist in choosing the best style and size. As is customary for CPE, the design is not released until Nationals.

SILKSCREENED CPE NATIONALS DESIGN

The silkscreened design will be 6 colors—black, white, yellow, turquoise, green, and red—about 11-12" across. Color options for each t-shirt style are shown below. First color choice is *usually* available, but availability is subject to distributor's inventory. If your first color choice is out of stock, we'll try to contact you with alternate colors, and will substitute as similar an item as possible if we aren't able to reach you before the shirt goes to print.
